Justice is music to the Sisterhood's ears as they delve into the dark side of celebrity—from the #1 New York Times bestselling author of *Crash and Burn*.

Through all their missions and adventures, the tightknit group of friends who make up the Sisterhood have learned one vital lesson: everybody has a weak spot. In the case of Yoko Wong's dear friend Garland Lee, the multimillion-selling performer known as America's beloved songbird, that weak spot was trusting her lawyer, Arthur Forrester. For years, he's taken advantage of her faith in him to amass a secret fortune. And now, in the deepest betrayal yet, he's dragged her into a lawsuit that could cost her everything.

The Sisterhood know they can't let that happen. Forrester has some of the country's top judges in his pocket, and a list of influential and ruthless friends—not to mention knowledge of all the ways the law can be corrupted to work in his favor. But he doesn't have the Vigilantes' deep-seated loyalty and determination. And all his years of underhanded dealings won't prepare him for the type of creative payback that the Sisters have made their specialty . . .
