The Ballyloch Stories are based around the clients of the fictitious Ballyloch Riding School, near the non-fictitious city of Cork, Ireland. The author's intention was not to write 'horsey stories' but to write stories about the lives of the people connected to a riding school. While all of the stories have a strong horse connection, some of them are more horsey than others. Lucky in Life is the first in the series. It sets the scene for the stories to follow, as it describes the beginnings of Ballyloch Riding School.
