A new alien threat arises. A Galactic War unlike any before it.

A powerful enemy threatens not only humanity, but humankind's former enemy, the Centaurs. A warrior race, the Naxli, consider themselves the rightful rulers of the galaxy, and all other life should be either enslaved or destroyed. Still, the Naxli are honor bound, only willing to face those who present a worthy challenge. They recognize strength and nothing else, so it is with strength that humanity must fight back.

Faced with an implacable enemy, distrust within his own government, and a deep-seated fear within the populace of augmented soldiers, Rev and his fellow hyper-augments must carefully balance a tightrope if they are going to save humanity against this enemy.

Now is not the time for second guesses, political hyperbole, or weakness. Humanity must stand and fight together or risk losing all that they've gained.

Get ready for a brand new installment in the bestselling Sentenced to War series from Dragon Award nominees and USA Today Bestselling Authors J.N. Chaney and Jonathan Brazee. If you're a fan of realistic military scifi and deeply realized characters, this is the book for you.
