As I walked past the VIP room I could hear a familiar vc. I don't know why I did a full 360 when I heard it, but I did. I could see his face. I was that nasty ass nigga we had all been keeping an eye out for. Neani was lucky. Cause that dirty penis holder had given my girl every disease on the spectrum except the package. R Kelly was definitely not talking about my friend in that song. My body immediately went into protection mode. I rushed back to the dressing room. I hadn't wanted Neani to see him tonight, of all nights. I could hear a few hotheads in the back room. So I knew we were in for someshit. I tried to think of all the things i could do to get rid of this bum, without my friend seeing him. I guess it was fateor something, because at that very moment i could hear a fight break out in his VIP. I stood to the side to see how security was going to handle it.
