An award-winning tale of grief, rage, guilt, and violence. Also, of humanity rediscovered.

For two decades, the supervillain known only as Doctor Fid has left a trail of blood and violence in his wake. He’s never been caught, he’s never been unmasked, and his motives are as alien and unknowable as the stars displayed upon his powered armor’s surface.

But time changes all things, and the man behind Doctor Fid’s mask has grown since the day he was twisted away from a quiet life in academia and instead set towards a life of violence and revenge.

Follow Doctor Fid’s adventures as he confronts heroes, other villains, and the traumas of his own past. In the end, the veteran supervillain may be forced to risk everything he’s ever worked for in order to save a world he’d once sought to terrorize.
