My name is Lance Steel. I'm the owner of Caprice Casino and Club Moroi, located on the Las Vegas strip. I'm a husband, a damned good father, and I'm also a vampire.

I've lived many lives over the years, having been turned in the twelfth century... the year 1113 AD, to be exact. Throughout my life, I've known many women but have only loved two women. But only Leila has touched my heart and very soul.

My wife, Leila, is completely human, and I aim to keep it that way.

I wish I could become human again for her. In fact, I dream of it.

There is nothing that I want more than to have a human life with her. To live out our lives together, rocking on a porch swing, side by side, looking back over our life together with fulfillment and love, with our children and grandchildren by our sides.

But alas, it can never be.

Now, someone is after them and I must do everything in my power to protect them. Danger is all around them, and it's becoming clear that despite the wealth and luxury, this is not a good life for my wife and son.

But there may be a chance that I could become human and run with them. I have never run from anything before in my life, but I would do it for them,

my family.

If I had the choice to take them away from all this and live a human life with them, I would do it in a heartbeat... for my family. For them, I would give up everything... including my vampire.
