Wandering the country in hopes of stopping Mammon and regaining the memories he stole, Al Simmons comes across a small town with a mysterious tradition. In order to ensure the safety of its citizens, the townsfolk have created a Tiend celebration that results in a sacrifice. Feeling his involvement is required, Spawn tries to stop the sacrifice. But his heroic motives result in Spawn coming face to face with The Forgotten Ones. Angelic creations of God, The Forgotten Ones had refused to fight against their creator; nor would they take up arms against their rebel brothers. Because of these actions, The Forgotten Ones were banished, but they also claim another in the tribe: Mammon. Although it could result in the end of their existence, The Forgotten Ones permit Spawn to try and save the sacrifice and stop the Tiend. Upon completing the ceremony, Spawn is able to save the girl.
