From the day I became the President of the Ruthless Sinners, I'd been known as one of the fiercest, most relentless MC presidents in the south.

I lead my men with honor and pride.

I never once wavered from what I believed was right for the club and the brotherhood.

And even when it meant putting their needs above my own, I'd always done everything in my power to keep the brothers and their families safe.

These were the demands of an MC president, and I accepted them without question.

I had dedicated my life to the club and the club alone.

It was the only way I could face losing the only woman I had ever loved.

But as fate would have it, the tables had turned, and I'd been given a second chance with the woman I'd always wanted.

There was just one problem.

Another woman had caught me under her spell.

Two incredible women.

One impossible choice.

Viper will have you rooting for forgiveness, mended hearts, and second chances. Viper's Demands is a standalone MC romance with no cliffhanger and NO CHEATING. These sexy bikers are foul-mouthed, possessive alphas who will do whatever it takes to protect the women they love. Enjoy the ride!
